

## Memorial Day Charts 2009 - I-5 Bellingham to Canadian Border

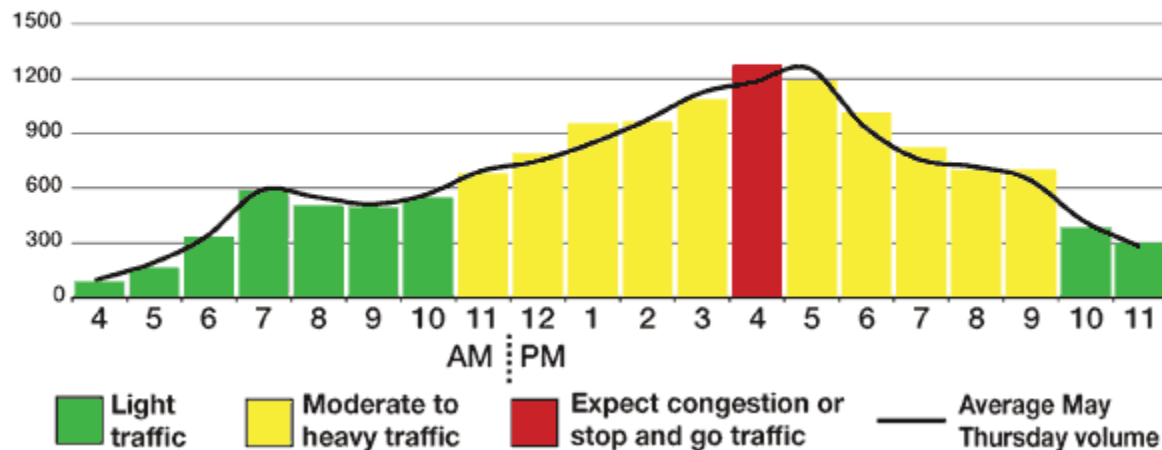

We are expecting high traffic volumes at all U.S./Canadian border crossing areas.

Drivers should expect heavier than normal traffic on I-5 between Seattle and the Canadian border leading up to and through Memorial Day weekend. On a typical weekend, close to 164,000 cars travel this stretch of highway, while WSDOT predicts close to 166,000 for Memorial Day weekend.

To help plan your travel, on the graphs below, the vertical axis shows the number of cars WSDOT expects on the roadway for that hour of day.

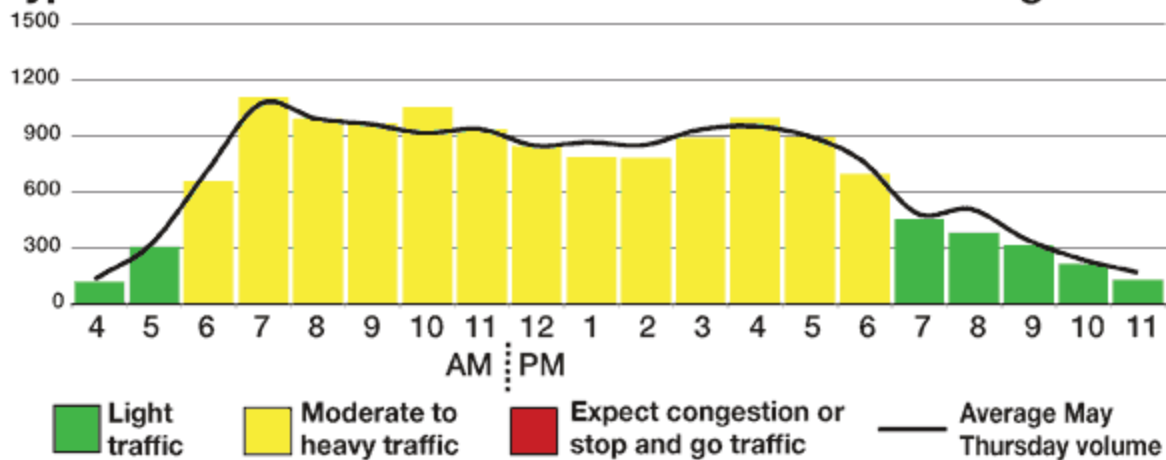

Know before you go: Drivers can get current information about congestion and wait times at the Canadian border on the WSDOT Web site at: [www.wsdot.wa.gov/traffic/border/](http://www.wsdot.wa.gov/traffic/border/)

## Memorial Day Charts 2009 - I-5 Lewis and Thurston Counties

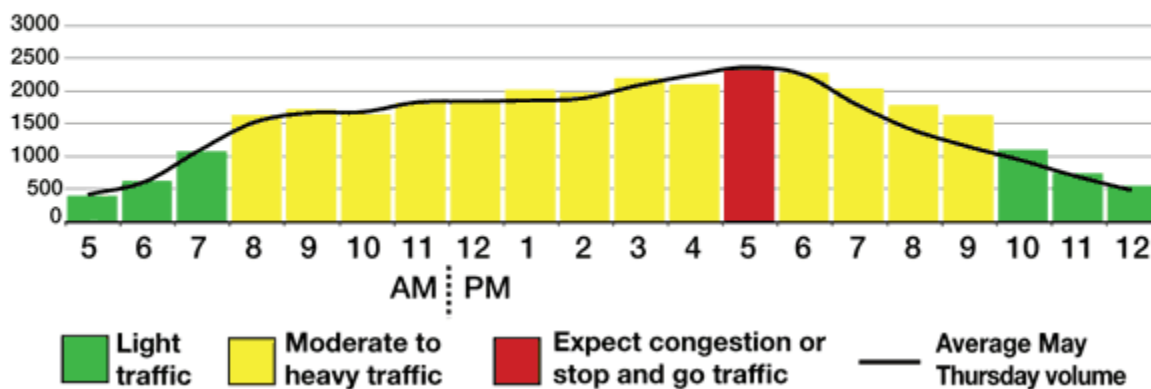

On a typical four-day weekend, close to 362,000 cars travel this stretch of I-5 south of Olympia through Centralia and Chehalis. WSDOT predicts close to 380,000 for Memorial Day weekend.

To help plan your travel, on the graphs below, the vertical axis shows the number of cars WSDOT expects on the roadway for that hour of day.

The coastal area of Western Washington will also experience heavier traffic in spring and summer months. WSDOT recommends avoiding travel on I-5 in the Puget Sound and the Portland/Vancouver metro area Friday evening and Monday afternoon.

Remember to check the WSDOT web site or call 5-1-1 for real-time traffic information.

## Memorial Day Charts 2009 - US 2 from Leavenworth to Stevens Pass

Monday, Memorial Day, is the busiest day of westbound US 2 travel each year. Over Memorial Day weekend, WSDOT expects close to 43,000 cars on US 2 Stevens Pass. On a typical weekend, 27,000 cars travel on US 2 between Everett and Leavenworth.

To help plan your travel, on the graphs below, the vertical axis shows the number of cars WSDOT expects on the roadway for that hour of day.

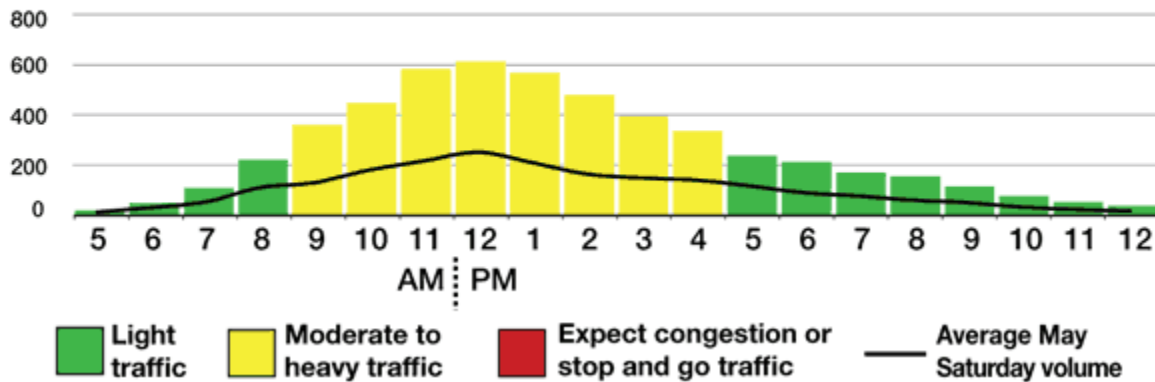

WSDOT is re-timing signals on US 2 to help keep traffic flowing Friday and Monday. WSDOT's Incident Response Crews will be working Friday, May 23 and Monday, May 26 to cover anticipated peak traffic volume.
